

HOLYPORT WAR MEMORIAL HALL

Registered Charity No.1179097

Dear Hirer,

Please find below a checklist to help you ensure that the Hall is left in the same state in which you (hopefully) will find it. As it is not always possible for the cleaner to attend in between bookings, please try to leave the Hall as you would like to find it. Thank you.

If you do find the Hall in an unsatisfactory condition when you arrive then please contact the Caretaker immediately.

Whilst we aim to leave some cleaning products and equipment for your use, we do recommend that you bring along your own as well (including kitchen and dish cloths). Please remember that if the Hall is not left in a clean and tidy state ready for the next user, and additional time and effort has to be spent on cleaning over and above the usual, then we do reserve the right to withhold all or a part of the deposit.

If you have any comments on the state of the hall (whether critical or otherwise), the Comments Book is placed next to the fridge in the kitchen. This book is regularly inspected by the Hall staff and all comments are acted upon.

Please help us to help you - the Hall is there for your benefit!
